Treatment  
Clinic

**Job Offer:** Physician

**Position Type:** 8 to 16 hours per week

**Start Date:** Immediate

**Salary:** Paid by RAMQ

**Schedule:** Day

The BACA Clinic is a private clinic offering outpatient and specialized services for individuals suffering from eating disorders, such as anorexia, bulimia, and binge eating disorder. We provide a multidisciplinary treatment model that addresses all aspects of an individual's life, promoting personalized care. The targeted clientele is 12 years and older.

Our team believes in the individual's capacity to fully recover and mobilizes all resources to restore hope for a more balanced life, free from obsessions related to weight and appearance. The warm and welcoming environment of our clinic fosters a climate of trust conducive to recovery.

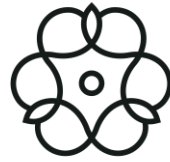

Our multidisciplinary team consists of passionate professionals who strive to work together to help others. To provide the best possible service to our clients, we also work closely with other care providers involved in their recovery. We are looking for a passionate and committed RAMQ-registered doctor to join our team and provide high-level medical care to patients suffering from eating disorders. As a doctor in our clinic, you will play a key role in the care of patients, collaborating with our psychologists, nutritionists, and other healthcare professionals.

### **Key Responsibilities :**

- Conduct comprehensive medical evaluations of patients suffering from eating disorders
- Prescribe appropriate medical treatments and monitor patients' progress.
- Collaborate with a multidisciplinary team to develop personalized care plans.
- Participate in patient follow-up meetings and discussions about their progress.
- Provide constant medical support and be available to answer questions from patients and the team as needed.
- Maintain accurate and up-to-date medical records for each patient.
- Adhere to the BACA approach to ensure a consistent and compassionate care approach.
- Participate in multidisciplinary team meetings.

### **Required Skills:**

- Member of the College of Physicians & registered with RAMQ.
- Medical degree and relevant specialization in the field of eating disorders (an asset).
- Experience in general medicine or the treatment of eating disorders is a plus.
